Hello Mr. Lynch,

I am responding on behalf of the Wage and Hour Division. I just wanted to give you an update on the status of your request dated December 6, 2018, for documents related to PAID applicants. We are still processing your request. We have completed our initial search and the result is voluminous. We are currently sorting the potentially responsive documents. Currently, I do not have a firm date on when the sorting will be complete but I anticipate the sorting may take several more weeks. I will update you on this estimate when I have a firmer date. Thanks for your attention to this matter.
